Mudlarks Report from J. Kent, P. Munroe and J. Butcher

Peter and Jennifer took a bird walk on 9th April from Dibble Ave to view water birds. David Noble took some beautiful photos which can be seen on his Facebook page as it is a public page. Inner West Council invited the Mudlarks to apply for a small grant for an IPad but the application was unsuccessful.

Mudlarks meet on the 2nd Tuesday of the month at 7am on the Hurlstone Park side of Lang Rd Bridge. Regular emails will be sent to CRVA and Mudcrabs members. Please RSVP if you would like to attend.

Greenway Steering Meeting on 29th April will be discussing plans for the Greenway and Marrickville Golf Course.

The topic of the future of Marrickville Golf was then opened for discussion. The two options being considered by council are to maintain the 18 hole golf course or to reduce it to a 9 hole golf course and return the remaining land to community use. The discussion was informal with no motions moved. **The general consensus of this CRVA meeting was that this item be put on notice for future discussion by CRVA membership.**

Peter Munroe commended Jennifer Newman for her support for a Cooks River Alliance initiative to train young indigenous river keepers. Good on you Jennifer!

John Butcher advised that the issue of Pemulwuy went to Inner West Council and is still being considered by council. John also advised the Cooks River Alliance has raised the possibility of an oral history project for Cooks River.

Meeting Closed at 8.54pm
